Checking driver's licenses from your own state may be easy enough, but when it comes to out-of-state licenses, the odds are against your catching frauds... unless you have the latest I.D. Checking Guide.

The Guide helps you make accurate, on-the-spot verification of driver's licenses and ID cards—your best protection against ID fraud. At a glance, you'll know if a document is valid... or altered... or counterfeit. The ID Checking Guide, U.S. & Canada Edition shows every valid driver's license format in actual size and full color, so fake ID gets stopped cold. Included are details on territorial documents, federal and military issuance, consular cards, and more. In a compact 96 pages and 6" x 8 1/2" size, you can keep it handy and take it anywhere.
